TERMS OF ADMISSION.

Candidates for admission to the Freshman Class must sustain an examination on Cæsar, Virgil, the Greek Reader, Adam's Latin Grammar, Sophocles' Greek Grammar, English Grammar, Ancient and Modern Geography, Arithmetic and Loomis' Elementary Algebra.

A candidate for an advanced standing, in addition to the above studies, is examined in the various branches, to which the class he proposes to enter, has attended.

Satisfactory testimonials of good moral character are required, and those coming from other institutions must bring certificates of regular and honorable dismissal.

An accurate and thorough acquaintance with the studies required for admission is indispensable, in order to receive the full advantage of the College course.

It is found from experience, that students, imperfectly prepared for the class they enter, are embarrassed in their future progress, and are seldom able to repair the want of solid preparatory study.
